## GENERAL INFORMATION

### THE ACCESS AUTHORIZATION AND FITNESS FOR DUTY WORKSHOP

brings together nuclear industry professionals to share insights, strengthen programs, and drive greater efficiency, consistency, and performance across the access authorization and fitness for duty community.

### REACH YOUR AUDIENCE

Connect directly with key decision-makers, including licensee access authorization and fitness for duty professionals, background investigation and screening experts, substance abuse specialists, medical review officers, employee assistance program personnel, and government agency representatives.

Position your organization as a trusted partner by becoming a sponsor or exhibitor, demonstrating your support for the industry while building meaningful connections with both new and existing customers.

### SPONSORSHIP AND EXHIBITOR BENEFITS

Attendees gather to improve their programmatic performance and efficiency, and to see the latest products, services, and innovations in the nuclear industry.
