## GENERAL INFORMATION

**THE ACCESS AUTHORIZATION AND FITNESS FOR DUTY WORKSHOP** provides industry learning and advances knowledge to improve programmatic performance, efficiency and commonality within the access authorization and fitness for duty nuclear community.

### REACH YOUR AUDIENCE

Connect with licensee access authorization and fitness for duty decision-makers, as well as background investigation screening professionals, substance abuse experts, medical review officers, employee assistance program personnel and government agency staff. Become a sponsor and exhibitor to show your support for the industry and engage with potential and long-standing customers.

### SPONSORSHIP AND EXHIBITOR BENEFITS

Attendees gather to improve their programmatic performance and efficiency and to see the latest products, services, and innovations in the nuclear industry. Highlight your company's impact on the industry and keep its name in the minds of top energy executives.
