

International Uranium Fuel Seminar

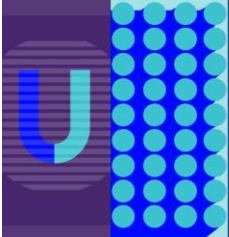

Oct. 19-21, 2026 | nei.org/uranium

MONDAY, OCTOBER 19

7 AM - 3:30 PM	Golf Outing/Tournament <i>Hosted by WMC</i> (additional registration and fee required) Transportation will be provided. Golf begins at 8AM, shotgun start.
5:30 PM - 7 PM	Registration
5:30 PM - 7 PM	Opening Reception
8 PM - until	Monday Night Football <i>Hosted by Evolution Markets</i> RSVP Required Here On The Kirb (Greenway location) 3800 SW Freeway, Suite #124 Houston, TX 77098

TUESDAY, OCTOBER 20

8 - 11:30 AM	Registration
8 - 9 AM	Breakfast <i>Sponsored by LIS Technologies</i>
9:15 - 9:20 AM	Welcome Remarks Jack Britt <i>Sr. Director, Fuel and Radiation Safety</i> Nuclear Energy Institute
9:20 - 10:20 AM	Session 1: Challenges and Opportunities Across the Nuclear Fuel Cycle This session will bring together voices from across the nuclear fuel cycle to discuss current market challenges and work underway to strengthen fuel supply. Panelists will share perspectives from mining, conversion, enrichment, fuel supply, and utility procurement, with a focus on practical steps to support growing demand and long-term supply chain confidence. Moderator: Elmer Dyke – President, New Horizon Nuclear Associates Panelists: • Tim Shirkey – VP, Marketing, Cameco • Kris Kunert – VP, Marketing and Sales, Urenco • Bob Rose – Branch Manager, Contracts, Nuclear Fuels, Talen Energy • Dana Brown – VP, Mining, Conversion, Enrichment Sales, Orano

International Uranium Fuel Seminar

10:20 - 10:50 AM

Break

Sponsored by Uranium Energy Corp

Session 2: Emerging Market Players and the Path to Compete

10:50 - 11:50 AM

This session will examine how smaller and emerging nuclear fuel companies are working to establish themselves in a market with larger, more established players. Panelists will discuss financing, contracting, project execution, customer confidence, and how new entrants can help build a more resilient fuel supply chain.

Moderator: Jack Edlow – President, Edlow International Company

Panelists:

- Mike Chilton – CEO, Fluxpoint
- Christo Liebenberg - President, Co-Founder & Chief Technical Advisor, LIST
- Ryno Pretorius - CEO, Quantum Leap
- Nima Ashkeboussi - VP, Gov. Rel. & Com., Global Laser Enrichment
- Nick Lawson – Founder and President, Ocean Wall

11:50 AM - 12:10 PM

Special Topic

The Die Is Cast on Uranium's Cost Curve — *What the Lowest-Cost Producer Just Told You About Everyone Else*

Michael Alkin, Sachem Cove Partners

12:10 - 12:30 PM

Special Topic

Future Global Nuclear Fuel Cycle Scenarios

Kaajal Desai, WNA

12:30 - 5 PM

Individual and Company Business and Networking Meetings

6 - 8:30 PM

Special Event

HOUSTON, UNDER THE STARS

An Evening at Space Center Houston

Sponsored by STP

Transportation will be provided

8:30 PM - until

Poker Tournament

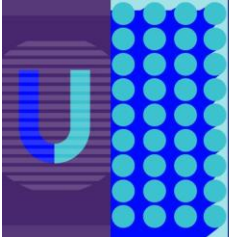

Hosted by Uranium Markets

Location: **Moxie's**

5000 Westheimer Rd, Houston, TX 77056

9 min walk from the hotel, but buses will drop off attendees heading there right after the Special Event

Poker starts at 9 p.m.

International Uranium Fuel Seminar

WEDNESDAY, OCTOBER 21

7:30 - 11 AM

Registration

7:30 - 8:30 AM

Breakfast

Session 3: Supplying Uranium for the Next Generation of Nuclear Power

This session will look at how uranium producers are working to expand supply while managing permitting, investment, and market challenges. Panelists will discuss new production, utility contracting, and the role of mining in supporting long-term fuel security and future reactor deployment.

8:30 - 9:30 AM

Moderator: Treva Klingbiel – President, TradeTech

Panelists:

- Damir Sagimbayev – Director of Marketing, Kazatomprom
- David Kemp – VP, Sales and Marketing, Paladin Energy
- Canon Bryan – Founder and President, SuperCritical Materials
- Olga Skorlyakova – VP Market Strategy, Bannerman Energy
- Scott Melbye – Executive Vice President, Uranium Energy Corp; CEO, Uranium Royalty Corp; President, Uranium Producers of America

9:30 - 10 AM

Break

Session 4: Building the Fuel Supply Chain for Advanced Reactors

This session will examine fuel procurement challenges facing advanced reactor developers and customers as they prepare for first cores, refueling, and long-term deployment. Panelists will discuss advanced fuel pathways, supply chain readiness, licensing, and the work needed to build confidence in fuel availability at commercial scale.

10 - 11 AM

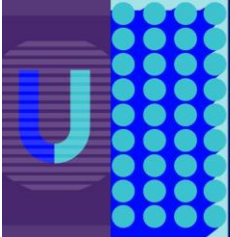

Moderator: Stephanie Bruffey – Senior Technical Advisor, Fuel Cycle Science and Technology, Idaho National Laboratory

Panelists:

- Gard Clark – Interim COO, Natura Resources
- Marcia Leonard - Head of Business Development, TRISO-X
- Joshua Graves – Thermal Hydraulics Lead, CleanCore Thorium Energy
- Travis Chapman – VP U.S. Reg. Affairs & Licensing, newcleo
- Scott G. Nagley – Vice President, Business Development, BWX Technologies - Nuclear Operations Group

11 - 11:30 AM

Break

International Uranium Fuel Seminar

Session 5: Modernizing Nuclear with Modern Fuel Procurement

This session will examine how utilities, SMR developers, and new market entrants are adapting procurement strategies to meet evolving industry needs. Panelists will discuss financial, trading, and regulatory perspectives, as well as lessons from recent projects and the impact of new market mechanisms.

11:30 AM - 12:30 PM

Moderator: Todd Howard – Senior Sales Executive, Centrus

Panelists:

- Alex Dymala-Dolesky – Founder and CEO, Uranium Digital
 - Wayne Blaylock – Commercial Director, Energy & Climate, Dow
 - John Perdew – Co-Global Head, Nuclear Fuels, TP ICAP
 - Anna Bryndza – Executive VP, International, UxC
-
