International Uranium Fuel Seminar

October 27–29, 2025
Charleston, South Carolina

Where Market Intelligence Meets Opportunity

About IUFS

Join global leaders, utility buyers, suppliers, and regulators for the [International Uranium Fuel Seminar \(IUFS\)](#), the leading annual seminar for professionals working across the nuclear fuel cycle.

Hosted by the **Nuclear Energy Institute (NEI)**, IUFS delivers important insights, curated programming, and high-value networking that drives business forward.

Taking place **October 27–29, 2025**, at the [Emeline Hotel](#) in Charleston, SC, IUFS connects stakeholders shaping uranium supply, trade, policy, and procurement.

Why Sponsor IUFS?

Put Your Brand in Front of Industry Decision-Makers

Sponsorship gives you visibility, credibility, and strategic access to senior leaders driving nuclear fuel supply and policy.

Targeted Visibility

Your logo featured in event signage, website, marketing emails, and attendee materials

Premium Access

Complimentary registrations, placement in high-traffic spaces, and podium recognition

Lead Generation

Sponsor tables, branded receptions or lounges, and one-on-one engagement opportunities

Credible Association

Alignment with NEI, the leading voice of the U.S. nuclear energy industry

What to Expect at IUFS 2025

Two Half-Day Plenary Sessions

In-depth discussions on fuel policy, market trends, trade restrictions, and strategic procurement

Expert-Led Insights

Delivered by industry leaders, government officials, and technical experts

Built-In Networking Blocks

Designed to foster real connections, deal-making, and long-term partnerships

Audience Profile

Your brand will connect with influential professionals across the entire fuel cycle, including:

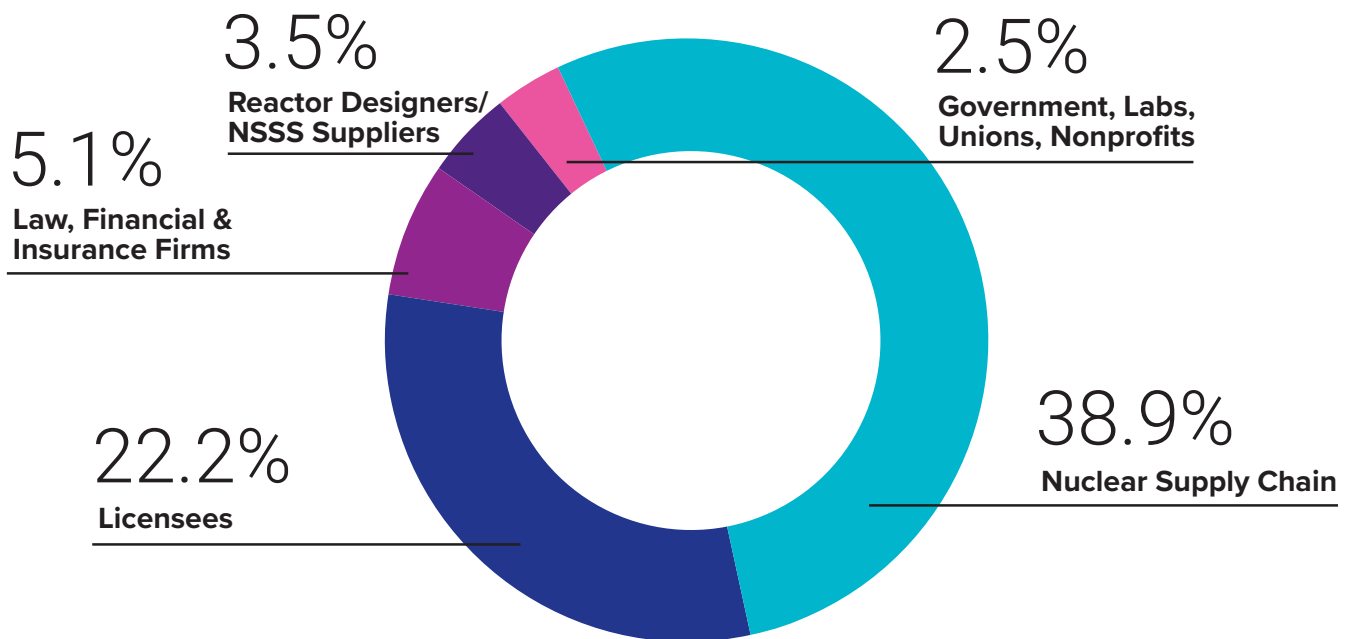

- Fuel Supply Chain Leaders (Mining, conversion, enrichment, fabrication)
- Utility Fuel Buyers & Reactor Vendors
- Uranium Suppliers & Traders
- Government Agencies & International
- Regulators (DOE, NRC, IAEA)
- Technology Developers, Engineers & Finance Professionals
- Transport & Logistics Experts
