

Nuclear Fuel Supply Forum

Sponsorship Opportunities

Supply Chain Social Reception (75–90 minutes) **\$8,000**

Logo and Branding

The company's logo is prominently displayed on all reception materials, including banners, signage and promotional materials.

Welcome Remarks

At the start of the general session, the company expresses gratitude for attendee's presence and delivers a five minute presentation or speech about the company, its product or services.

Customized Décor (sponsoring company provides)

The reception area is adorned with branded items like table centerpieces and napkins that reinforce the company's identity.

Signature Cocktail/Mocktail

The company selects and names one featured cocktail or mocktail, developed in coordination NEI and the conference venue.

Giveaways and Prizes (sponsoring company provides)

A giveaway or raffle to encourage attendee participation with prizes that may include the company's products or gift cards.

Reactor Refuel Coffee Break (30 minutes) **\$3,000**

Exclusive Sponsorship

This sponsorship offers exclusive rights to be the sole sponsor of the coffee break during the event.

Logo and Branding

The company logo is prominently displayed on all coffee break materials, including signage.

Custom Coffee Sleeves (sponsoring company provides)

Customized coffee sleeves to display the company's logo, tagline, or call to action, effectively enhancing brand visibility and engagement.

Fueling Future Leaders **\$7,500**

This sponsorship provides up to 10 deserving students with the opportunity to attend the Nuclear Fuel Supply Forum, where they will engage with industry experts, gain valuable insights, and cultivate connections that will shape their future careers. As part of this sponsorship opportunity, your company will lead the effort in identifying and selecting the students to participate in this opportunity. If desired, the NEI membership office can assist in identifying students to ensure a meaningful and impactful experience for both the students and your organization. As a sponsor, your company will play a pivotal role in fostering the next generation of leaders in the nuclear fuel industry while gaining significant exposure and networking opportunities.

Sponsorship Benefits:

Exclusive Meet & Greet:

As part of the Fueling Future Leaders sponsorship, your company will host a 30-minute Meet & Greet with the students, taking place one hour before the main event. During this time, you will have a dedicated 5-minute speaking opportunity to address the students, share your company's vision, values, and commitment to shaping the future of the nuclear fuel industry. This exclusive networking session will include complimentary snacks and beverages, allowing for a relaxed and engaging environment where you can interact directly with the students and other key stakeholders.

Brand Visibility:

Your company will receive prominent recognition in event materials that include the event website and onsite signage, as well as acknowledgement in the welcome remarks, showcasing your commitment to nurturing the next generation of talent in the nuclear sector.

Impactful Contributions:

Your support will enable students to access vital resources, fostering innovation and leadership in the nuclear fuel industry.

Photo Opportunity:

Capture a group photo of the students alongside sponsor and/or NEI leadership. Images will be shared with everyone for digital use.
